

Chrono-Peptide Booster for HydraFacial Rebuild | Repair | ReCharge

9 ml/0.3 fl. oz. each
(professional only)

Description:

The HydraFacial Chrono-Peptide Booster is a powerful serum designed to rebuild, recharge and repair resulting in a reduction of the appearance of fine lines and wrinkles and a pro-youth glow.

Benefits:

- Energizes dull tired skin
- Reduces fines and wrinkles
- Rebuilds the skin from the inside out
- Enhances Vitamin D expression

Feature Ingredients

Chronocyclin Peptide: Circadian Rhythm Peptide that optimizes skin's physiological activities of defense and cells repair.

NeoDermyl: The "needle-free" collagen and elastin filler, pure source of bio-energy to recharge skin's beauty, boosts skin density and overall firmness.

Matrixyl Morphomics Peptide: Influences cellular and dermal energy, reducing the appearance of vertical lines.

Matrixyl Synthe'6 Peptide: Clinically proven to smooth wrinkles from the inside out by rebuilding the skin, particularly on the forehead and crow's feet.

Directions:

Use only as directed, for professional use only.
